AGENDA ITEM

Ordinance No. 2026-02 Landscaping at Intersections

Attachments: Ordinance No. 2026-02
 Current figure in Sec. 107-08

Staff Recommendation:

Consider recommending approval of Ordinance No. 2026-02 to update landscaping standards at intersections.

Background Information:

At the March 4, 2025, FY26 Budget kickoff workshop, City Council members expressed frustration with the current level of code enforcement and directed staff to include an additional code enforcement officer in the FY26 Proposed Budget (ultimately, the new position was not included in the FY26 Approved Budget due to lower-than-anticipated property tax receipts) and increase enforcement efforts (previously mainly reactive and not proactive).

As part of staff's review of existing codes, the landscaping at intersections was identified as being excessive and unwarranted. The current code requires a triangle of cross-visibility of 40 feet to be clear of vegetation above 2.5 feet in height and did not specify where the triangle began (i.e., along the edge of the road or the edge of the right-of-way). At the October 14, 2025, City Council meeting, staff proposed reducing the distance to the triangle of cross-visibility to 25 feet and establishing the beginning of the triangle at the edge of the road.

The Planning and Zoning Board's recommendation will be forwarded to the City Council for the first reading of Ordinance No. 2026-02 on January 13, 2026.

ORDINANCE NO. 2026-02

AN ORDINANCE OF THE CITY OF INDIAN HARBOUR BEACH, BREVARD COUNTY, FLORIDA; AMENDING CHAPTER 107, LANDSCAPE CODE OF THE LAND DEVELOPMENT REGULATIONS OF THE CITY; AMENDING SECTION 107-8, LANDSCAPING AT INTERSECTIONS; PROVIDING FOR CONFLICTS, SEVERABILITY, INCORPORATION INTO THE CITY'S LAND DEVELOPMENT REGULATIONS; PROVIDING FOR CONFLICTS, SEVERABILITY, INCORPORATION AND AN EFFECTIVE DATE.

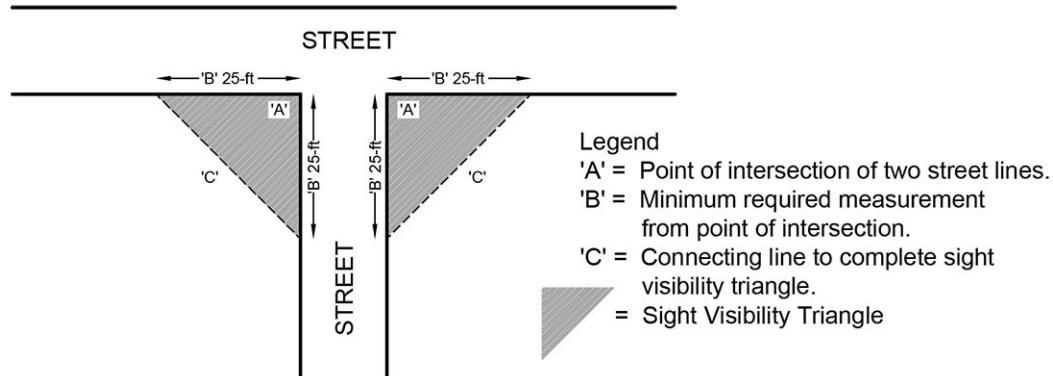

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF INDIAN HARBOUR BEACH, BREVARD COUNTY, FLORIDA, as follows:

Section 1. Section 107-8 of Chapter 107 of the Land Development Regulations of the City of Indian Harbour Beach is amended to read as follows:

Sec. 107-8. - Landscaping at intersections and points of access to public rights-of-way.

(1) No landscaping, tree, fence or wall shall obstruct visibility at any intersection or at any point of access to a public right-of-way. Notwithstanding any other section of this chapter, the city shall have the authority to order the removal of any such landscaping, tree, fence or wall which is found to cause such obstruction of visibility.

(2) No hedge, plant, tree or other landscaping shall exceed two and one-half (2½) feet in height or have a canopy lower than six (6) feet in the area defined as the "triangle of cross-visibility" in Figure 1 below.

(Note to codifier, the new Figure 1 shown above should be inserted below Section 107-8 when codified. Figure 1 was amended from the current version).

Section 2: Conflicts. Any and all ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflicts.

Section 3: Severability. If any provisions of this Ordinance or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Ordinance which can be given effect without the invalid provision or application, and to this and the provision of this Ordinance are declared severable.

Section 4. The City Clerk is hereby directed to incorporate the provisions of this ordinance into the City's Land Development Regulations.

Section 5. Effective Date. This ordinance shall take effect immediately upon its adoption.
