JULY/AUGUST 2026

CELEBRATE AMERICA'S 250TH BIRTHDAY AT INDIAN HARBOUR BEACH'S FIRST ANNUAL GOLF CART PARADE

Get ready to deck out your golf carts, dust off your favorite retro attire, and join your neighbors for a fun-filled evening of community spirit at the First Annual City of Indian Harbour Beach Golf Cart Parade on **July 30, from 5:30 p.m. to 8:00 p.m.**

This year's parade theme, "80s and 90s America," invites participants to showcase their creativity and celebrate the nostalgia, music, fashion, and culture of two iconic decades. Whether you're decorating your golf cart with neon colors, patriotic flair, or classic throwback touches, we encourage everyone to join in the fun as we celebrate America's 250th birthday together as a community.

Plan on sticking around because the festivities won't end when the parade is done! Following the event, residents and visitors are invited to stay and enjoy live music, food trucks, and family-friendly entertainment. This special evening is designed to bring neighbors together, create lasting memories, and honor our nation's rich history.

Participants are encouraged to wear festive and patriotic attire; however, to keep the event focused on community celebration, political advertisements and signs will not be permitted on golf carts.

Interested in participating in the parade? Please email the Recreation Director, Kristin Cusimano, at kcusimano@indianharbourbeach.gov to join the participant email list. Additional details, including registration information, will be released in the coming weeks. Parade route starts and ends at Gleason Park..

For the latest updates, be sure to follow the Indian Harbour Beach Rec-Gleason Park Facebook page.

EXTENDED PUBLIC FORUM FOLLOWING JULY 28TH CITY COUNCIL MEETING

Following the July 28, 2026, City Council meeting, the City Council will hold its first Semi-Annual Extended Public Forum, giving residents a new opportunity to engage directly with Council members. Unlike the traditional public forum, where Council members typically do not respond to comments, this expanded format will allow for questions, discussion, and feedback on issues important to the community. The Extended Public Forum was created in response to resident interest in additional opportunities for dialogue with elected officials and is intended to foster greater communication, transparency, and community engagement.

2026 ELECTION

The City of Indian Harbor Beach will hold an election on Tuesday, November 3, 2026, to fill Seat #1 (currently held by Deputy Mayor Adam Dyer), Seat #2 (currently held by Councilmember David Nutt), and Seat #3 (currently held by Councilmember Susan Ruimy).

To qualify, a candidate must be a registered voter who has resided in the City of Indian Harbour Beach for at least one (1) year prior to the date of qualifying. Candidates must submit signed nominating petitions with a minimum of 67 signatures from registered Indian Harbour Beach voters and submit a qualifying fee of \$30. Candidates will file qualifying paperwork with the City Clerk during the qualifying period, which runs from noon on Thursday, July 30, 2026, to noon on Tuesday, August 11, 2026.

A person may announce their candidacy prior to official qualifying by meeting with the City Clerk and filing the Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form. Until this form has been filed, campaign funds may not be collected or disbursed, nor may petitions be signed. Please contact Nikki Gold, City Clerk, for additional information or to schedule a meeting. Election packets will be available on June 30th in person or online on the City's website.

State law requires candidates for municipal office to comply with state regulations and accounting instructions for candidates and committees as set forth in the Florida Statutes.

TRAFFIC PATTERN CHANGE AT BANANA RIVER DR/PINE TREE DR

To improve traffic flow and enhance safety in the area, a new traffic pattern will take effect at the intersection of Banana River Drive and Pine Tree Drive beginning Monday, July 20.

Under the new configuration, motorists traveling eastbound and westbound on Pine Tree Drive will be required to yield to traffic on Banana River Drive.

The change will be implemented first thing Monday morning, providing residents several weeks to become familiar with the updated traffic pattern before the start of the new school year.

Drivers are encouraged to use caution, pay close attention to new signage, and allow extra time as the community adjusts to the revised traffic flow.

PLANT THIS NOT THAT

The City of Indian Harbour Beach's Tree Preservation Board has worked hard in its short time as a community board. They planned the City's Annual Arbor Day celebration, developed the City's Tree Management Plan, and provided crucial input on City Ordinances. However, they are best known for their "Plant This Not That" educational series on the City's Facebook page, where they highlight Florida-native trees as good alternatives to popular non-natives. These native alternatives are more resilient and help support robust biodiversity in Florida Wildlife. If you haven't yet, check out the City's Facebook page or website for recommended native trees.

YARD WASTE AFFECTS WATERWAYS

In a coastal community, yard waste left in streets or near storm drains can quickly flow into our canals and eventually into the Indian River and Banana River Lagoons. Grass clippings, leaves, and other organic debris can clog storm drains, reduce water flow, and release excess nutrients into the water as they decompose. These nutrients can contribute to harmful algae growth, degrade water quality, and negatively impact fish, manatees, birds, and other wildlife that depend on our lagoon ecosystems.

Help protect our waterways by keeping yard waste off the street, bagging or properly containing debris for collection, and never blowing leaves or grass clippings into storm drains. Small actions at home can make a big difference in preserving the health and beauty of the Indian River and Banana River Lagoons for future generations.

FIRE DEPARTMENT BULLETIN: FIREWORKS SAFETY DURING CELEBRATIONS

While the Indian Harbour Beach Fire Department encourages residents to attend professional fireworks shows whenever possible, we also recognize that many families may choose to celebrate with consumer fireworks. To help ensure a safe and enjoyable holiday, we encourage everyone to follow these important fireworks safety guidelines:

- **Keep a Safe Distance:** Never place any part of your body over a firework when lighting it, and never pick up or relight fireworks that fail to ignite fully.
- **Supervise Children and Protect Pets:** Never allow young children to handle fireworks or sparklers, which can reach over 2,000°F. Use safer alternatives like glow sticks, popping streamers, or confetti, and remember that fireworks can frighten pets and cause them to run away or become injured.
- **Prevent Fires:** Use fireworks outdoors in a clear, open area away from homes, vehicles, dry grass, trees, and flammable materials. Check local drought conditions and burn bans; avoid use in dry conditions; keep water or a fire extinguisher nearby; and watch for smoldering debris or embers.
- **Dispose Properly:** Soak used fireworks in water before placing them in a metal trash can away from buildings and combustible materials.
- **Be Courteous and Protect Hearing:** Fireworks can exceed 150 decibels and cause immediate hearing damage. Notify neighbors—especially those with young children, elderly family members, or pets—before using fireworks.
