JULY/AUGUST 2025

IHB CELEBRATES 70TH BIRTHDAY

On Friday, June 13th, the City Celebrated its 70th Birthday by holding an event at Gleason Park. The celebration included food trucks, face painting, a bounce house, and much more. Neighbors and friends joined in the celebration that was hosted by the City and planned by the City's wonderful recreation department. These milestones highlight what makes the Indian Harbour Beach community so special and helps us appreciate our journey to 70 years. The City looks forward to our next big celebration in 2030 which will mark 75 years. We hope to see you then!

NEW CLEAN UP STATIONS

(Susan Ruimy, Miro Ruimy, Chip Grennan, Mimi Dugan)

The City added new community clean up stations to Millennium and Bicentennial beach parks in June. These bins were donated by Lowes and Whale Eye Woodworks Inc. and placed at the entrances of both parks. These stations empower visitors and residents alike to keep our local beach parks clean by offering available and accessible resources to do so.

The stations were unveiled at the City's beach cleanup event where attendees walked our beaches and gathered trash and recyclables that were then disposed of. Residents, elected officials, staff, and neighbors arrived in support of keeping the beaches clean.

LOW SPEED VEHICLE WORKSHOP

The City of Indian Harbour Beach will be having a workshop at 6 PM on Tuesday July 29th in the City Council Chambers at City Hall. The workshop will review the City's current policy, compare the policies of other communities, and develop clear guidance regarding low speed vehicles. Members of the community are encouraged to attend the meeting and provide input on what they would like to see the City do on this topic.

CODE ENFORCEMENT CHANGES

The City of Indian Harbour Beach stepping up its oversight and enforcement on property maintenance, nuisance, health, and safety codes.

City leadership is reviewing the top issues our staff has previously had difficulty enforcing and is making necessary recommendations to ensure what written in the municipal city code is desired, proper, and enforceable. These top code issues include boat, trailer, and recreational vehicle parking, overgrown grass and vegetation, and improper signs.

Our ultimate goal is voluntary compliance. City staff want to work with cooperative, responsible homeowners to achieve quick resolutions to any outstanding code issues that may be out there. Existing code violations that do not pose an imminent threat to health, safety, or welfare or imminent destruction of habitat or sensitive resources will be given until November 10, 2025 to be brought into voluntary compliance. Following our Code Enforcement processes, general violations will receive a Courtesy Notice in late October / early November those violations that remain uncorrected beyond the stated timeline will be formally addressed with a written Notice of Violation and strict, progressive action, up to and including bringing issues before a Special Magistrate.

Residents may report code violations either by submitting a form that is available from city hall or the City's website www.indianharbourbeach.org or through the City's See Click Fix App <https://seeclickfix.com/indian-harbour-beach>. All complainants must provide their name, address, and phone number or email. Per Florida statute 162.06(b), code enforcement proceedings may not be initiated by way of anonymous complaint unless the issue poses an imminent threat to public health, safety, or welfare or imminent destruction of habitat or sensitive resources.

NATIONAL STOP ON RED WEEK

The Space Coast Transportation Planning Organization will observe National Stop on Red Week, which runs Aug. 3-9, 2025.

Created by the Federal Highway Administration and spearheaded by the National Coalition for Safer Roads, National Stop on Red Week aims to educate drivers about the dangers of red-light running and to reduce the number and severity of crashes. The Insurance Institute for Highway Safety found that motorists in urban areas are more likely to be injured in crashes involving red-light running than in any other type of crash.

In 2023, 84 people were killed, and an estimated 681 people were seriously injured in crashes that involved red-light running in Florida. The U.S. Department of Transportation found that one in three Americans know someone who has been injured or killed in a red-light running crash.

One light. One rule. Lives saved.

ELECTION INFORMATION

The City of Indian Harbour Beach will hold an election on Tuesday, November 4, 2025 to fill Seats #4 (currently held by Deputy Mayor Frank Guertin) and #5 (currently held by Mayor Scott Nickle) for a three (3) year term. This will be the last of the 3-year terms for Council Members. Starting with the 2026 election, all council members will be elected to a four-year term.

To qualify, a candidate must be a registered voter who has resided in the City of Indian Harbour Beach for at least one (1) year prior to the date of qualifying. Candidates must submit signed nominating petitions with a minimum of 67 signatures from registered Indian Harbour Beach voters and submit a qualifying fee of \$30. Candidates will file qualifying paperwork with the City Clerk during the qualifying period, which will start at noon on Thursday, July 31, 2025 and will end at noon on Tuesday, August 12, 2025.

A person may announce their candidacy prior to official qualifying by meeting with the City Clerk and filing the Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form. Until this form has been filed, campaign funds may not be collected or disbursed, or petitions signed. Please contact Sue Frank, City Clerk for additional information, or to schedule a time to meet with her.

State law requires candidates for municipal office to comply with state regulations and accounting instructions for candidates and committees as set for in Florida Statutes.
